6. Interest and charges

- 6.1.** The current interest rate on your account can be found on your statement, via the online savings service or by visiting ccbank.co.uk/savingshelp. Interest accrues on a daily basis on your account balance up to and including the day prior to account closure.
- 6.2.** If you have an Easy Access account or a Notice account:
- (a)** interest can be added to your account or paid to your nominated account either monthly or annually, depending on your instructions (see your Summary Box for details); and
 - (b)** if interest is added to your account on a monthly basis, it will only accrue the annual equivalent rate of interest if the interest remains in your account until the end of each year.
- 6.3.** If you have a Fixed Rate Bond:
- (a)** interest is added to your account on maturity of the fixed rate term or annually if the fixed rate term is greater than one year.
- 6.4.** When working out the interest earned on the amounts paid into your account:
- (a)** we treat a cheque as being cleared (so that interest can start to accrue) two working days after it has been deposited. A cheque presented to us after the end of working hours, is treated as deposited on the following working day.
 - (b)** all amounts deposited electronically into your account before the end of working hours are cleared (so that interest can start to accrue) on the same day.
- 6.5.** If you have a Fixed Rate Bond account, the interest rate is fixed for the term of the account. If we open an Easy Access account in your name at the end of the Fixed Rate Bond term and transfer the balance into that account we will tell you the new interest rate which applies.
- 6.6.** If you have an Easy Access account or a Notice account, our interest rates are variable (see section 14 for further details). You can find out details of our current interest rates by calling us or by visiting our website at ccbank.co.uk/savingshelp.
- 6.7.** We pay interest without deducting tax unless we are required to do so by law. It is your responsibility to pay any tax to HMRC on interest that you earn. You are fully responsible for, and indemnify us against, any liability, assessment or claim for taxation which may arise from or made in connection with the interest payable on your account. You agree to indemnify us against all reasonable costs, expenses and any penalty, fine or interest incurred or payable by us in connection with or in consequence of any such liability, assessment or claim. We may satisfy this indemnity (in whole or in part) by deducting an amount from any funds held in your account or from any payment due to you. We will tell you if we exercise this right.
- 6.8.** We will charge you for the additional services set out in our tariff of charges. Our tariff of charges is available on our website at ccbank.co.uk/savingshelp. We may vary our charges as set out in section 13.

7. Liability for unauthorised withdrawals

- 7.1.** If you are either:
- (a)** a micro-enterprise which is a business which employs fewer than 10 people and has a turnover or annual balance sheet of no more than €2 million (or its equivalent); or
 - (b)** a charity which has an annual income of less than £1 million,
- then sections 7.2 to 7.3 apply to you. If you do not fall into (a) or (b) above then section 7.4 applies to you.
- 7.2.** You must tell us immediately (by calling us) if you think that a withdrawal has been made from your account that was not authorised by you or is incorrect in any way. If we were responsible for allowing the incorrect withdrawal, we will refund it and restore your account balance to the level it would have been if we had not allowed the withdrawal to be made from your account. However if you or any of your signatories or anyone acting on your behalf has acted fraudulently, we will not refund the withdrawal.
- 7.3.** If an unauthorised withdrawal has arisen from you acting fraudulently or with gross negligence, or because you have failed to use your security procedures or personalised device (such as your mobile phone, tablet or computer which you use to access your account) in line with this agreement (including the obligation to keep your security details safe), we will not refund the payment and you will be liable for the full amount of all losses you suffer.

- 7.4.** If section 7.1(a) or (b) does not apply to you, then:
- (a)** subject to the rest of this section 7.4, if we have not acted in accordance with your instructions, or if we have caused an error or delay, we will be liable for the amount of your losses, or the amount of any interest you have not received as a result of our failure, error or delay, whichever is lower;
 - (b)** we will not be liable for any losses you may suffer if:
 - (i)** we have acted in accordance with your instructions or those of a signatory on your account, even if your instructions were incorrect; or
 - (ii)** our failure to act on your instructions, or an error or delay is as a result of something we cannot reasonably control, for example, a machine or an electronic device failing to work, industrial action or disputes and strikes;
 - (c)** we will not be liable to you for any indirect or consequential loss, however caused, even if it would have been foreseeable, which you suffer in connection with the account, including:
 - (i)** loss of profits, sales, business, or revenue;
 - (ii)** business interruption;
 - (iii)** loss of anticipated savings; or
 - (iv)** loss of business opportunity, goodwill or reputation; and
 - (d)** we will not be liable for any losses you suffer which are caused by you, any of your signatories or any third party acting on your behalf acting fraudulently, intentionally or negligently (for example by not keeping a password or personalised device, such as your mobile phone, tablet or computer which you use to access your account, secure).
- 7.5.** If we need to investigate a transaction on your account, you must cooperate with us, our professional advisors and the police (if they are involved).
- 7.6.** If you break any term of your agreement with us, you will be liable for our losses and costs incurred as a result, including (but not limited to) the cost of tracing you, communicating with you and enforcing payment of any amount due to us (including our legal costs). You will be liable for these losses in addition to any sums that you already owe us under this or any other agreement.
- 7.7.** Nothing in this agreement limits our legal responsibility for acting fraudulently or with extreme carelessness or otherwise excludes or limits any legal responsibility we may have to you that we are not permitted to exclude or limit by law.

8. Professional practice accounts

- 8.1.** This section applies if you have an Easy Access account and you are a limited company, partnership or other legal entity that carries on a business as solicitors, accountants or any other profession we may approve from time to time.
- 8.2.** In order to be eligible to open an account with us as a professional practice, you must hold (and give us the identification number associated with) a current registration with the Solicitors Regulation Authority, or an accounting body, being the ICAEW, CIPFA, ACCA or such other similar body that we may approve from time to time.
- 8.3.** You must ensure that the account is operated in accordance with any relevant rules prescribed by your professional body including rules applicable to you when you hold client money. If we require you to do anything that we think is necessary to ensure compliance, you must do as we ask.
- 8.4.** We will close your account if:
- (a)** we change our list of approved professions and you are no longer an approved profession;
 - (b)** we receive notice that your registration with the relevant professional body has been terminated; or
 - (c)** you do not comply with section 8.3 above.
- 8.5.** If we close your account:
- (a)** for one of the reasons in section 8.4, we will not be liable to you for any direct or indirect loss or harm caused to you; and
 - (b)** for the reason in section 8.4(b), you will indemnify us against any costs, claims, damages and expenses we incur whether directly or indirectly, as a result.

9. Keeping your account safe

- 9.1.** You must take all reasonable steps to keep your account and any personalised device (such as your mobile phone, tablet or computer which you use to access your account) or security procedures used to access your account and initiate withdrawals, safe to prevent any unauthorised use by:
- (a) following all reasonable instructions that we give you which will help to protect you and us from any unauthorised access to your account;

10. Suspending your account

- 10.1.** We may suspend, restrict or stop access to your account or any related service at any time if:
- (a) you tell us that there has been unauthorised access to your account;
 - (b) we reasonably believe it is needed to protect your account;
 - (c) we become aware of a dispute between you and any other account holders or signatories, which means that the account cannot be operated until the dispute is resolved;

 - (i) we suspect fraud or other criminal activity.
- 10.2.** If we suspend your account, we will tell you and we will explain our reasons for doing so and what you can do to put things right, unless we are unable to do so for legal reasons. For example, if we become aware of a dispute between the signatories on the account, we will allow you to use the account once we reasonably believe the dispute has been resolved or we receive instructions from all of the signatories on the account.
- 10.3.** If you have an Easy Access account or a Notice account, we may also suspend your account immediately if we become aware that the sole signatory on your account has:
- (a) become medically incapacitated (physically or mentally);
 - (b) died; or
 - (c) is otherwise, in our reasonable opinion, unsuitable to hold the position of a signatory.
- 10.4.** In these circumstances, we will keep the account open for 30 days before closing it, unless we are instructed by someone else who we reasonably decide has authority to manage the account. If the account is closed, we will transfer your balance to your nominated account within 30 days.
- 10.5.** If you have a Fixed Rate Bond account and the sole signatory becomes medically incapacitated (physically or mentally), dies or is otherwise, in our reasonable opinion, unsuitable to hold the position of signatory, the account will remain open until the end of the fixed rate term at which point we will transfer the funds.

11. Closing your account

- 11.1.** We can close your account at any time without notice, if we reasonably believe that:
- (a) you are not eligible to have an account with us or you no longer meet our eligibility criteria;
 - (b) you have given us any false or misleading information at any time, in circumstances where we would not have entered into an agreement with you had we received the correct information or you've not provided us with up-to-date information on request;

 - (b) calling us;
 - (c) completing a notice to withdraw form which is available on our website at ccbank.co.uk/savingshelp or by calling us. This form must be completed and signed by a signatory and can be returned to us by email or post,
- 11.6.** Any request to close your account must be authorised by a signatory.
- 11.7.** If you close your account: (a) and it is an Easy Access account, we will transfer your balance to your nominated account the next working day; (b) and it is a Notice account, we will transfer your balance to your nominated account on the working day we close your account.
- 11.8.** If you have a Fixed Rate Bond account, you cannot close your account during the fixed rate term, unless you are exercising your right to cancel as described in section 1.6.
- 11.9.** We may decide not to close your account until you have repaid any money you owe under any other agreement you have with us.
- 11.10.** Once your account is closed:
- (a) we will refuse to accept any more deposits into the account. If an attempt is made to make a deposit into the account after it has been closed, we will take reasonable steps to return the payment to the sender;
 - (b) you must cancel any direct or regular deposits scheduled to be made into your account.

12. Switching your account

The interest rate for an account can also be found on your statement, via the online savings service or by visiting ccbank.co.uk/savingshelp.

13. Changing the terms of this agreement

- 13.1.** We may change the terms & conditions applicable to your account, including our charges, (other than those relating to changes to the interest rates which are dealt with in section 14) for any one or more of these reasons:
- (a) to reflect, in a reasonable way, any changes in the practice of other financial institutions which offer savings accounts to customers, including the way in which accounts are managed or operated;
 - (b) to reflect, in a reasonable way, any change in interest rates charged by other financial institutions in the UK;
 - (c) to improve efficiency (which may include reducing costs), for example, to take into account changes in technology, introducing new technology or making changes to the systems we use;
 - (d) to reflect changes that we reasonably make in the way we look after your account or in the way we offer savings services and facilities to our customers generally;
 - (e) to reflect any actual or expected increase or decrease in our existing administrative costs and charges in providing the account to you;
 - (f) to enable us to meet the requirements of our regulators or to reflect any change in the law, regulatory guidance, a decision by the courts or an ombudsman or a change in the regulatory system governing us;
 - (g) to make these terms & conditions easier to understand or to correct any errors;
 - (h) to allow us to harmonise these terms & conditions if we acquire the accounts of, or take over or merge with, another provider; or
 - (i) if it is necessary for us to make changes to maintain our financial stability.
- 13.2.** Any change we make under section 13.1 will be proportionate to the reason or reasons for making it.

- 13.4.** If we make a significant change to these terms & conditions or a number of minor changes in any one year, we will send you a summary of the changes. A copy of the terms & conditions is available on our website at any time.

14. Changes to interest rates

- 14.1.** If you have a Fixed Rate Bond account, the interest rate is fixed until the end of the fixed rate term and it will not change. At the end of the fixed rate term, the account will be transferred into an Easy Access account if you do not provide us with your instructions to return the funds to your nominated account or invest the funds in a new product with us and we may change the interest rate in accordance with section 14.2 below.
- 14.2.** If you have an Easy Access account or a Notice account, we may change the interest rate on your account for any one or more of the reasons set out in section 13.1.
- 14.3.** We may also change the interest rate on your account for other reasons we have not set out above and we will only make these changes if it is reasonable and proportionate for us to do so.

14.4. If you have an Easy Access account:

- (a) if a change to the interest rate is not to your advantage, we will tell you about the change by email or post as follows:
 - (i) for all changes to interest rates on accounts with a balance of £100 or greater, we will give you at least 14 days' advance notice before the reduction is applied;
 - (ii) for accounts with balances below £100, we may apply the reduction immediately and notify you after the change has been made;
- (b) if you do not agree to an interest rate change, you can close your account. If you do not ask us to close the account, we are entitled to assume you have accepted the interest rate change from the date the change comes into force.

14.5. If you have a Notice account:

- (a) if a change to the interest rate is not to your advantage, we will tell you about any changes by email or post as follows:
 - (i) for all changes to interest rates on accounts with a balance of £100 or greater, we will give you either:
 - (A) at least 14 days' advance notice plus the notice period required for withdrawals on your account before the reduction is applied; or
 - (B) at least 14 days' advance notice before the change takes effect;
 - (ii) for all changes to interest rates on accounts with balances below £100, we may apply the change immediately and notify you after the change has been made; and
- (b) if you do not agree to the interest rate change, you have a right to close your account. If we have told you the change will take effect at least 14 days after the notice period, your right to close the account is on the basis set out in sections 11.5 to 11.7. If we have told you the change will take effect in a period which is shorter than the notice period, then you will be able to withdraw funds or close your account without giving notice or incurring any penalty provided you do so within 30 days. If you do not close the account, we will assume that you have accepted the interest rate change.

14.6. If your account has an interest rate which tracks a publicly available reference rate (e.g. Bank of England Base Rate), any change in the interest rate to reflect a change in that reference rate, will be applied immediately or as detailed in the Summary Box for your account and will not be notified in writing.

14.7. We may immediately suspend the accrual and addition of interest to your account for any period during which the minimum balance required for the account is not maintained. Details of the minimum required balance for your account can be found in the Summary Box for your account or on request by calling us.

15. Our right of set-off

15.1. If you fail to make a payment to us when it is due, under this agreement or under any other agreement we have with you, we can take any funds in your account and use them to reduce or repay any amount you owe us (for example under a loan). This right is called our right of set-off. If we exercise our right of set-off, we will tell you in advance unless we reasonably believe you will do something to prevent us from taking payment. We will inform you as soon as possible after the date we exercise our right of set-off and we will tell you the amount deducted from your account.

16. Unclaimed balances and dormant accounts

16.1. If there have been no deposits or withdrawals on your account for a period of 15 years, and we cannot trace you (after having made reasonable efforts to do so), then we may close your account.

16.2. If we close your account in accordance with this section and you wish to reclaim the funds that were in the account:

- (a) you can contact us and we will tell you how to do so; and
- (b) we may carry out an electronic search to verify your identity, and/or request evidence of identity from you.

17. Transfer of rights

- 17.1.** We can transfer all or any of our rights or obligations under this agreement and your account to another person at any time. We may provide any information we hold about you and your account to any person who wants to take over our rights or obligations so far as reasonably necessary to help with the transfer of those rights or obligations. If we transfer our rights to another person, that person can exercise and enforce our rights only to the same extent as we could before the transfer. Any transfer will not affect your rights under this agreement.
- 17.2.** You may only transfer your rights or your obligations under this agreement to another person if we agree in writing.

18. Waiver and enforcement

- 18.1.** If we do not insist that you perform any of your obligations under this agreement, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations.
- 18.2.** This agreement is between you and us. No other person shall have any rights to enforce any of its terms.

19. Data protection and prevention of criminal activities

- 19.1.** All personal information you give us will be treated as private and confidential even when you are no longer our customer. If criminal activity is identified, any details we hold about you will be passed to the relevant agencies. Associations between joint applicants may be created at credit reference agencies.
- 19.2.** We will use your information to open your account, manage it and tailor the service we offer you as well as make checks and seek any verifications needed. The information you provide us with is kept for as long as it is necessary to administer any relationships that you hold with us, or for as long as regulation or the law says we have to, if that is longer.
- 19.3.** Further details of how we use your personal information and what your rights are in relation to it can be found in our Privacy Notice which is at ccbank.co.uk/privacy-notice. - (a)** you need any further information;
 - (b)** you do/do not want to receive any marketing materials from us; or
 - (c)** you are an individual, and you wish to enquire about personal information that we hold about you by making a Data Subject Access Request (DSAR);
