## 1. Online savings service and balance enquiries

To access your account online, visit [ccbank.co.uk](http://ccbank.co.uk) and login using the option on the right hand corner of the page. From here you can login or register as a new user.

Once registered, our online savings service allows you to view your balance, transactions, statements and send us secure messages relating to your account.

Please be aware that only those who are named as signatories on the account may register for our online savings service.

For your security, the registration process involves us sending a one time passcode (OTP) to the mobile phone number we have on record for the signatory.

Alternatively, you can request the balance on your account by calling us on 0344 225 3939. You will need to provide your account number and personal details.

## 2. Paying in

**We must receive your initial deposit in one payment by electronic transfer or cheque within five working days of us notifying you of your account number.**

### **By transfer**

You can transfer funds directly from your nominated current account. This can be done by sending a payment quoting the account number and sort code of your account, which are provided in your welcome email.

### **By cheque**

Cheques must be drawn on your nominated current account as detailed on your application form. The cheque must be made payable to the name in which your account is held and must not be forward dated or dated more than six months ago.

Cheques should be posted to:

**Cambridge & Counties Bank**  
Charnwood Court  
5B New Walk  
Leicester  
LE1 6TE

Please include a note stating your account name and number with your cheque.

Once your account is opened with your deposit, no further deposits can be made into your fixed rate bond.

If you would like to make further deposits, you may be able to open an additional fixed rate bond or notice savings account with us (if available).

**Did you know you can easily apply  
for another savings account using  
our online savings service?**

### 3. **Withdrawing and bond maturity**

No withdrawals can be made during the term of the fixed rate bond. The fixed rate bond period includes non-working days. We will write to you, usually in the last 14 days before the end of the fixed rate term, to ask whether you would like the funds to be invested in a new product with us or transferred to your nominated account.

If we receive your instructions before the end of the term, we will transfer the funds to your nominated current account or new product by electronic transfer on the working day after the term ends, unless it is a non-working day in which case we will transfer the funds on the next working day.

If you need to change your nominated current account, please refer to Section 6 for information on how to do this. If you need any further assistance, please call us on 0344 225 3939.

If we do not receive any instructions from you before the term has expired, your account will become easy access on maturity, until we receive an instruction from you.

#### **Easy access accounts**

If your account becomes easy access you can either withdraw the funds by logging into our online savings service which is available on our website and clicking on your account and selecting "withdraw funds". Alternatively, you can call us on 0344 225 3939 or complete and return a notice to withdraw form which can be downloaded from our website at [ccbank.co.uk/savingshelp](http://ccbank.co.uk/savingshelp).

Alternatively, contact us and we'll send you a copy. All sections of the form must be completed and a signatory must sign the form. The form can be returned to us by email or post.

Once we receive the form, the funds will be transferred electronically back to your nominated current account by faster payment the following working day.

## 4.

### Interest

#### i) Earning interest

Payments received electronically earn interest from the first working day after the full balance is received and the account is opened.

Cheques will start earning interest from the second working day after they are deposited into your account.

#### ii) Interest payment

Interest is added to your account on maturity of the fixed rate term or annually if the fixed rate term is greater than one year.

We pay interest without deducting tax unless we are required to by law. It is your responsibility to pay any tax that may be owed on interest you earn to HMRC.

The interest rate for your account is set out in the product Summary Box and can be found on our website at [ccbank.co.uk/savingshelp](http://ccbank.co.uk/savingshelp) or you can find it via our online savings service. Alternatively you can call us.

## 5.

### Statements

In the case of a 1 year fixed rate bond or less, statements are issued on maturity.

Statements are posted and are also available online (see Section 1).

For fixed rate bonds with a term of more than 1 year, statements are issued annually on the anniversary of your bond opening, and on maturity.

You can request an additional statement at any time by sending a secure message via our online savings service, emailing us at [savings@ccbank.co.uk](mailto:savings@ccbank.co.uk) or calling us on 0344 225 3939.

# Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. For the current level of cover, further details and to view/download the FSCS Information Sheet & Exclusions list, please visit our site at [ccbank.co.uk/fscs](http://ccbank.co.uk/fscs).

It is a regulatory requirement that all Banks have to maintain records to help determine the eligibility of their customers. If the organisation's circumstances change during the term of the account, you must inform us of the change. Most depositors, including individuals and businesses, are covered by the scheme.

If you are unsure as to whether you are eligible or not, you can call us on 0344 225 3939 or email [savings@ccbank.co.uk](mailto:savings@ccbank.co.uk). Alternatively, you can contact the FSCS directly on 0800 678 1100 or visit [www.fscs.org.uk](http://www.fscs.org.uk).
